What Really happened on 9/11? Come hear 9/11 eyewitness, National Hero (as recognized by the U.S. Government):

William Rodriguez

Last survivor out and maintenance worker who held the master keys to the World Trade Center. He heroically risked his life by opening the fire-exit doors on the North Twin Tower, which permitted firefighters to save hundreds of Americans. However, the major bank/corporate owned and controlled American media and the 9/11 Commission have suppressed Mr. Rodriguez's account of what really happened on that tragic day.

Come hear the eye-opening first-hand account of what the power-elite who run the government and media do not want you to know about 9/11. Please visit Mr. Rodriguez's website at [www.911keymaster.com](http://www.911keymaster.com)
